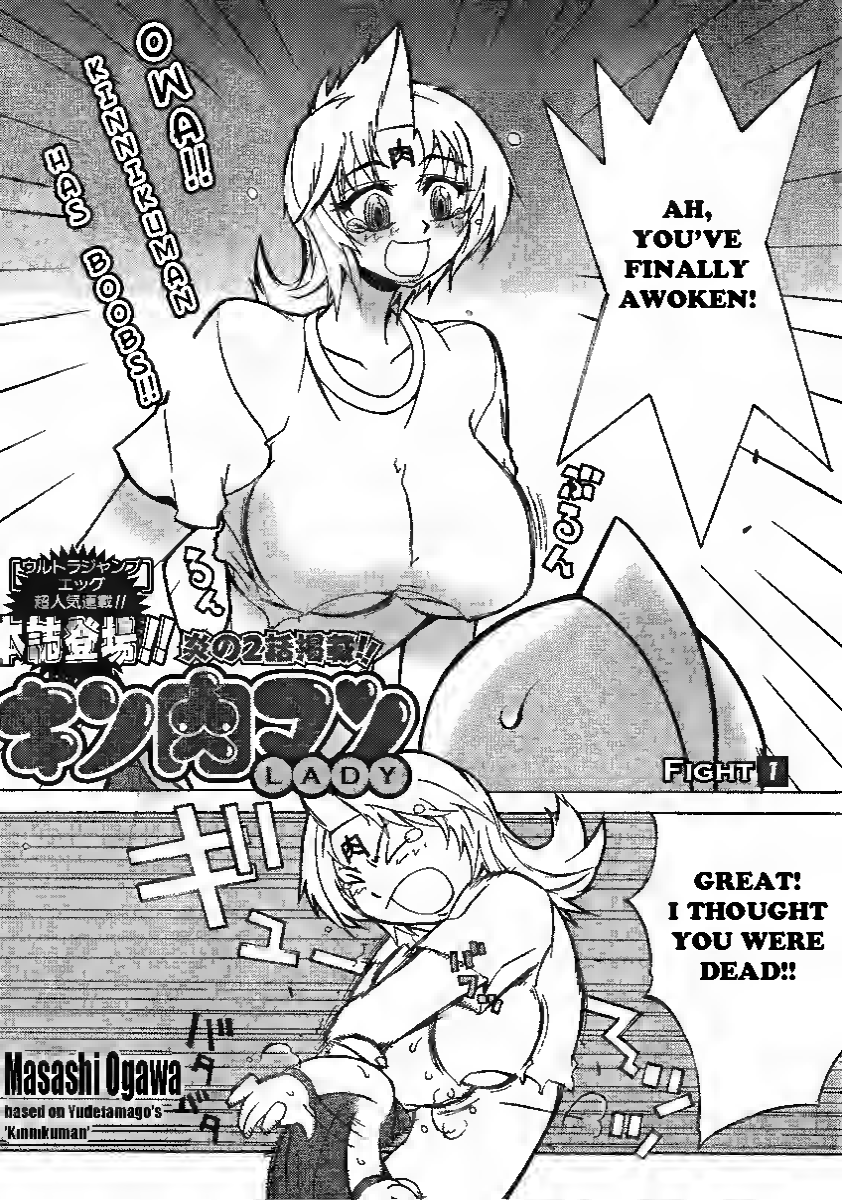
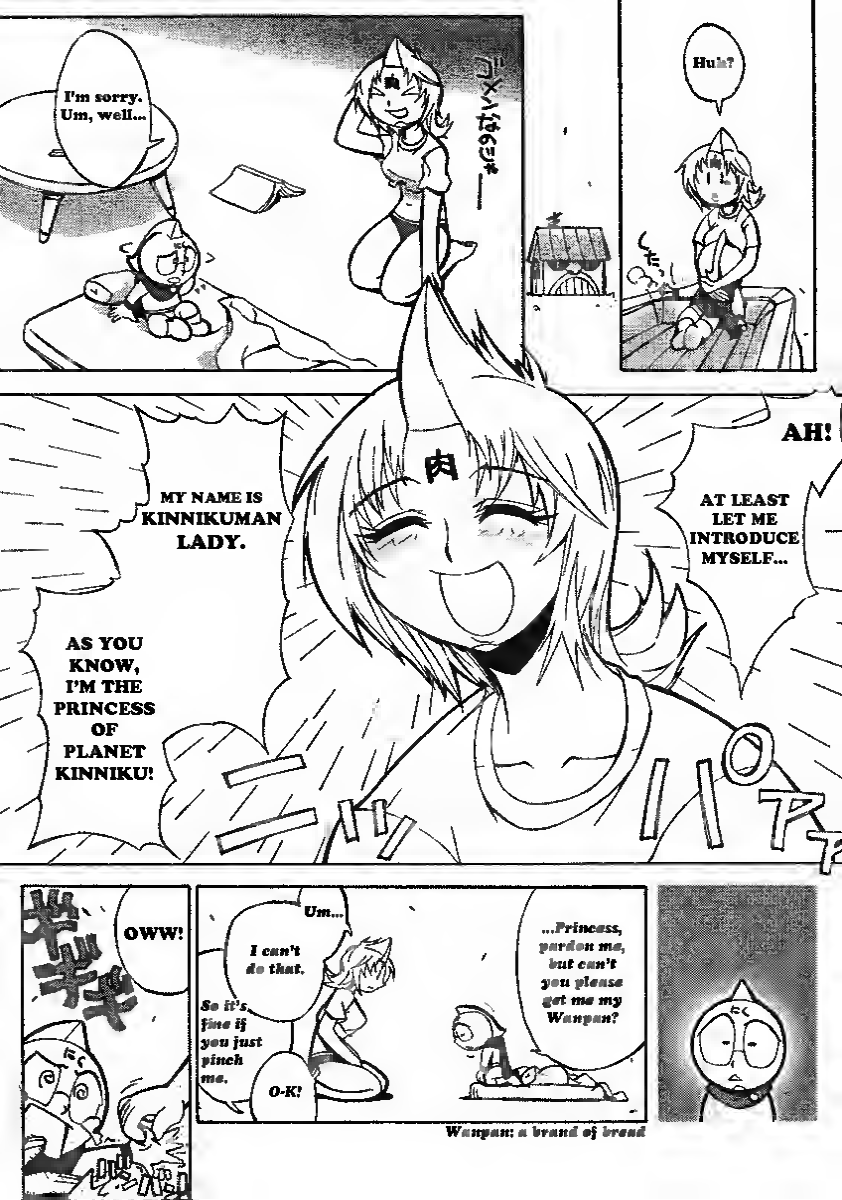
.....
A voice is calling me...
My brain has witnessed many battles...
I need to have it...
But I'll answer this voice...
HUH?!
29th Anniversary

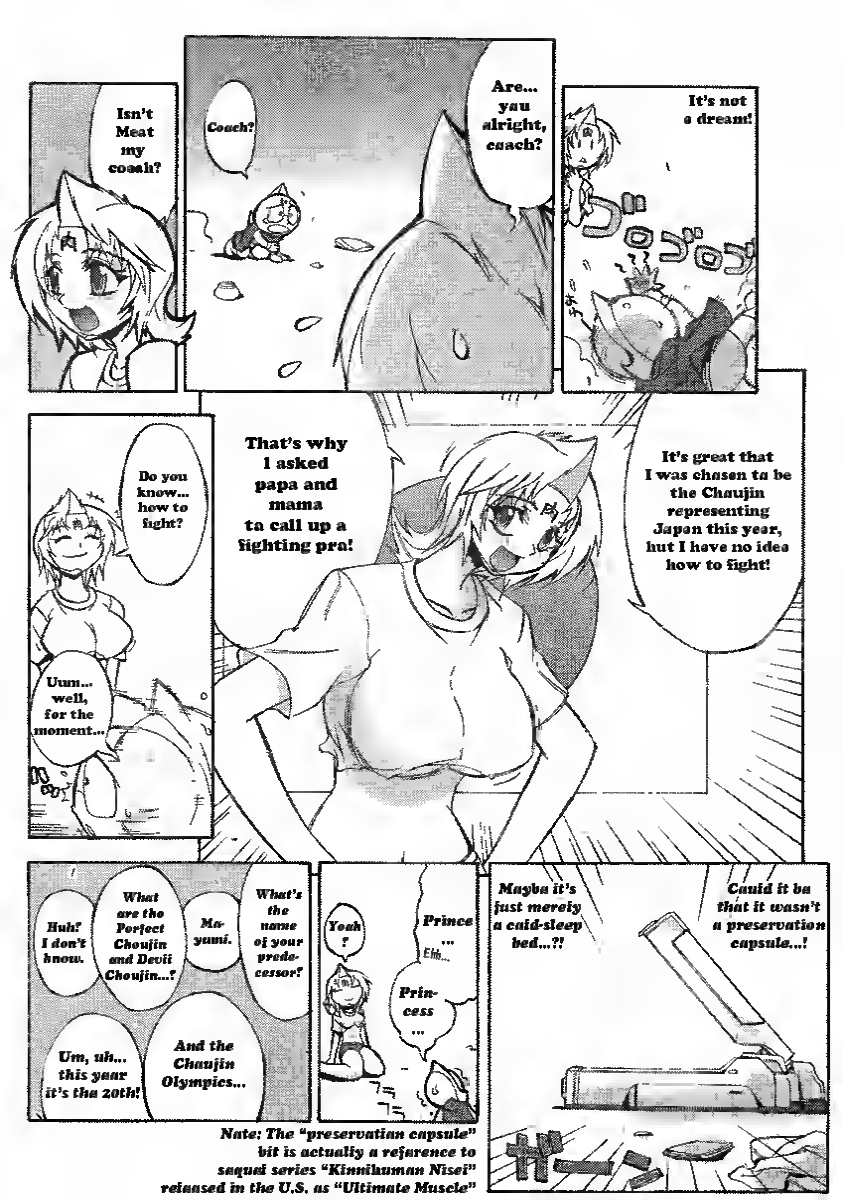


AH, YOU'VE FINALLY AWOKEN!
GREAT! I THOUGHT YOU WERE DEAD!!
FIGHT 1
Masashi Ogawa
based on Yudetamago's 'Kinnikuman'



I'm sorry. Um, well...
ゴメンはなさッ——
Huh?
AH!
MY NAME IS KINNIKUMAN LADY.
AT LEAST LET ME INTRODUCE MYSELF...
AS YOU KNOW, I'M THE PRINCESS OF PLANET KINNIKU!
OWW!
Um...
I can't do that.
So it's fine if you just pinch me.
O-K!
...Princess, pardon me, but can't you please get me my Wanpan?

Wanpan: a brand of bread



Isn't Meat my coach?
Coach?
Are... you alright, coach?
It's not a dream!
ゴロゴロ
That's why I asked papa and mama to call up a fighting pro!
It's great that I was chosen to be the Choujin representing Japan this year, but I have no idea how to fight!
Do you know... how to fight?
Uum... well, for the moment...
Huh? I don't know.
What are the Perfect Choujin and Devil Choujin...?
Ma-yumi.
What's the name of your predecessor?
Um, uh... this year it's the 20th!
And the Choujin Olympics...
Yeah?
Prince...
Ehh...
Princess...
Maybe it's just merely a cold-sleep bed...?!
Could it be that it wasn't a preservation capsule...!

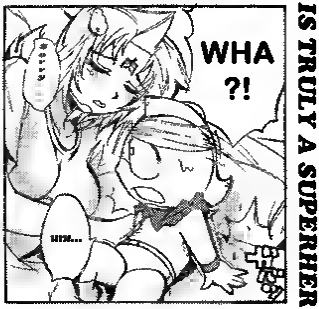
Note: The "preservation capsule" bit is actually a reference to sequel series "Kinnikuman Nisei" released in the U.S. as "Ultimate Muscle"

For the moment, that's all I can... assume...
and I entered the spirit of another Meat in another a dimmension...!
Perhaps... just my spirit was released as a secondary effect of the preservation device...
COULD IT BE THAT THIS IS A PARALLEL WORLD?!
Nope!
Well...Princess, so you have no fighting experience?
...Well she's somehow positive, different from Prince...
Fine then, first we'll go to an ideal place!
Please teach me how to fight immediately~!
Um...
Well, can you hear me? Meat~?
With that said... I don't know when I'll be able to return to normal...
Ah
Yes...
Uh?
Uhh?
??? Directly?
UMMH?
...by starting with that feeling, the "technique" will exist.
Now... think of me as your enemy and please come at me.
Beyond fighting, the most important thing is "courage".
Have a heart that can face the opponent directly without fear...

!!?
肉
WILL THIS DO ?!!
ダッ

ESSS...
JUST... A BIT... WRONG...
WHAT MEAT?
Hya...
PRINC...

HER HEART IS TRULY A SUPERHERO?!



What can I do from here... I don't know what this world is but.....

But, for the moment I... believe I'm choking in this..... matching power.
